2025 U14 '2 Premiers

Well that was a season worth remembering, we started with 2 teams but due to injury and conflicts in game times, the players decided that one team was the better option this year to ensure we had a full squad every week.

Before my summary of the season, a massive congratulations to Jamie Wolfe and Anthony Hodge on becoming referees in 2025.

As I wrote this we are into the semi finals, in form and looking to go one better than 2024.

A massive thanks to Gerri and Ali for managing the team on game days. To Harry, you are ready for your own team, your enthusiasm is infectious and ability to communicate with the players a gift, well done. Scotty, Jas and Jarryd, thanks boys, all played massive roles in the team as usual.

To Jett, Nyah, Cooper and Max, thankyou guys, you truly deserve your awards, simply outstanding week in week out. To Kai, what a legend, trained with a broken finger just to be with the boys and was a standout in voting for players player,

With 25 players in the squad there are to many to mention individually but I need to thank Tyson, our skipper and a true competitor and Nash who will play NRL, he is a true athlete, a great kid and a superstar on the field.

Bunnies Under 5 Season Wrap-Up

This season, our little Bunnies hopped onto the field with big smiles, bigger hearts, and the courage of future Stars. From the very first whistle, they showed us what having fun, working together, and never giving up looked like.

In Game One, some of us ran the wrong way, some of us played the ball backwards, and a few were so shy and timid that we weren't sure if we'd even last the season.

But friendships and confidence grew fearless fast teams who chase hard, harder, and have turned into a defensive machine that no one wants to run into!

They tackled challenges head on, ran with lightning legs, and scored tries that lit up the sidelines with cheers from family and friends. Every pass, every tag, every laugh was awesome to witness.

Coach's Message – Darren "Dazza" Phillips

Hi Bunnies,

What a season! A huge thank you to all the parents, players, staff, club committee, and volunteers who made this year such a great experience. It's been an absolute joy watching the boys grow—not just as footy players, but as teammates and mates.

Each week, we saw their personalities come out more and more. From try after try, to learning to stay in the lines, and even powering through some classic muddy games, it was a season full of fun and learning.

More than anything, I loved watching the team spirit develop. One of my favourite moments? A player was a bit intimidated to run the ball, so a couple of his teammates ran in front of him to block the tags how good is that! Another classic was at halftime,

when one of the boys told the team:
 "It's easy to tag—grab the jumper first, then grab the tag!"
 Gold.

Big thanks to Taylor and Jaz for stepping up when I couldn't be there. Your leadership and guidance helped the boys stay focused and made sure they had fun every time they hit the field.

I've had a blast coaching this team and can't wait to see what next year brings.
 Appreciate you all.

See you all next season Up the Bunnies! 🐰🏈

Umina Bunnies Under 9s – Saifiti Reds 2025 Season Yearbook Entry

This year has been an incredible journey for our Umina Bunnies Under 9s Saifiti Reds. At the start of the season, many of our players had never played rugby league before, and most had never played alongside one another. But from those early training sessions to the final whistle of the season, the transformation was nothing short of inspiring.

Despite being a brand-new group, the team displayed remarkable resilience, courage, and enthusiasm every time they stepped onto the field. They often faced opponents who were bigger, more experienced, and had years of league under their belt—but the Bunnies never backed down.

Each week, they rose to the challenge with grit and determination.

More than just learning how to pass, tackle, and run, these young Bunnies learned what it truly means to be a team. They supported one another, encouraged their mates through every try and every tackle, and formed a strong bond that became the foundation of their growth.

No matter the score, their positive attitude, infectious smiles, and relentless team spirit made this season a huge success. Every single player should be proud of their improvement, their effort, and the way they represented the Umina Bunnies with pride and passion.

A massive thank you to all those who made the season possible—especially our incredible coaching staff **Skye** and **Ami**, and our superstar manager **Charlotte**. Your dedication, support, and energy made this year such a positive experience for the team.

Best Bunny – Taj Wilson

Taj stood out all season long with his consistency, heart, and impact on the field. A true Bunny through and through!

First of all, I would like to thank all of the boys, parents and all involved with the team this year.

Thank you to Kate for taking on more than she signed up for.

Thanks to Chris for stepping in when needed to give the boys some conditioning.

Thanks to all that have volunteered this year to make game day run as smooth as possible.

Also thank you to the Legend's from the u8's who have backed up throughout the year and have helped us in every way possible.

As without all of you, none of this would be possible.

Bentley

In his 5th season, Bentley has had his most consistent year so far and has come on leaps and bounds in all areas of his game. The talker on the field. A players player and a pleasure to coach.

Billy

Billy has developed his all round game in his 2nd year of footy. He has a knack for driving someone over the sideline and making a big play when the team needs it. Give the guy some open space, and you won't be able to catch him.

Tom

Tom has worked so hard at training and has shown that he is not worried about getting into the collision. Loves taking on the big guys and getting in to help his mates in any tackle. Tom's efforts are infectious with his teammates.

Logan

Logan has developed into a very good all round footballer, who has the ability to beat any player with his agility and his deception. Little in size but big in heart. Never afraid to take on anything and anyone. Could do anything he puts his mind to.

Knox

Knox is a natural footballer who has come into his own this year. A hard runner of the ball with speed to burn and agility to match but likes to get down and dirty in defence. This is one to watch for the future.

Mayowa

May is the barometer of our team. His infectious smile along with his cheeky attitude is what sets the tone for the team. May has developed into the role of protector and physical leader of the team.

Ace

Ace has come to us this year switching codes from Union and has come on leaps and bounds from day 1. He has the desire to be the best he can be and has proven as the year went on that he plays well above his weight. Can't wait to see what he does next year.

Lewis

Lewis coming to realise that he has the size and power to worry any opposition defensive line has been a big improver this year for his game. A great teammate to the boys and is such a pleasure to be around.

Cohen

Cohen has shown that he has the ability to compete and overcome some of the big boys in the competition. Loves to put the step on when he can. Can't wait to see him develop in the coming seasons.

Oakley

Oakley has only come on board this season after switching codes from soccer, and what a 1st season it has been. Getting out into the open more often than not, shows a clean pair of heels with speed to burn. Can't wait to see how his game develops

Hunter

Unfortunately Hunter's season was over before it began as he broke his elbow as the season was about to begin. He came and cheered the boys on at times during the season and hopefully comes back bigger and stronger as the boys missed him

Coaches Report

What a season it's been! As we wrap up another incredible year of footy, we just want to say how proud we are of every single one of our Under 9s Umina Bunnies.

You've shown heart, teamwork, determination and plenty of that team spirit every time you stepped on the field.

To our amazing families thank you.

Your support on the sidelines, at training, and behind the scenes doesn't go unnoticed.

Whether it was cheering in the rain, getting kids to early games, or helping out with training and jerseys we couldn't do it without you.

This team has grown in skill, confidence, and mateship, and that's something really special to be part of. So here's to the tries, the tackles, the wins and our fun camping footy adventures.

Rest up, enjoy the off-season, and we will see you all back again next year!

Van Donahue

Where do we start with Van? The coach's son – but more importantly, the tackling menace of the U9s! This kid makes that many tackles and somehow still has the energy to outrun the opposition straight after. Van moves at the speed of light!

Every game, he gives 110%. He's fierce in defence, lightning in attack, and always thinking ahead.

A natural leader, Van's not just playing his own game he's constantly talking, guiding, and lifting his teammates around him. Keep ya head down mate and stay humble.

Jay Ferguson

Jay Ferguson is a key playmaker in our Under 9s rugby league team. Always in the thick of the action, Jay has a natural feel for the game and knows how to create opportunities for his teammates.

Whether he's setting up a try or making a crucial tackle, Jay gives 110% every time he steps on the field.

What really sets Jay apart is his attitude—he never gives up, no matter the score or the challenge in front of him. His passion for footy shines through in every game, and his teammates know they can count on him to lift the team when it matters most.

Connor Hill

Connor is a natural-born back rower just like his dad who brings serious power to the team. He runs hard, tackles harder, and never takes a backwards step. Whether we're on the front foot or under pressure, Connor's aggressive style and strong carries give the team the edge we need. He's tough, fearless, and always ready to rip in.

Brody Kerr

Brody is our front-row enforcer who really found his stride this season. He's learned his role and now owns it delivering big hits in defence and barnstorming runs that get the crowd on their feet.

When Brody runs off the back fence, defenders think twice. He's become a real anchor in the middle of the field.

Clyde Cook

The Smart Operator, Clyde has had a fantastic season and continues to grow every week. With a deceptive running game and sharp vision around the ruck, he's become a real threat from dummy half. He reads the game well, knows when to pass and when to run, and always keeps the defence guessing.

On top of that, he's an absolute pleasure to coach always respectful, and eager to improve.

Clyde's footy brain and attitude make him a valuable part of the team's spine.

Boston Mannors

Boston might be new to the team, but you wouldn't know it watching him play. He's quick, aggressive, and absolutely fearless—running and tackling like like they owe him money Boston doesn't back down from anyone and plays with the kind of energy that lifts the whole team. A massive addition this season!

Isaac Skobla-Palelei

Isaac is one of the most reliable forwards in the squad. He runs hard, takes the tough carries, and always puts the team first. Off the field, he's just a good kid—respectful, coachable, and loved by his teammates. Every team needs an Isaac.

Louie Smith

The Lightning Winger

Lewy is our speedy winger who can turn a half-chance into a try in seconds. With pace to burn and great positioning, he's always ready to finish off a play. Give him a bit of space and he's gone!

Logan Parsons

Logan has come a long way this season and has proven he can slot in anywhere on the field. But don't be fooled by his quiet approach — his first contact in defence shocks the opposition. Strong, reliable, and adaptable, Logan is the kind of player every team needs.

River Nelson

The Quiet Riser, River joined the team a bit shy, but wow what a journey he's had this season. Week by week, his confidence has grown and so has his footy. Whether it's his positioning, or getting in front in defence, River's development has been massive. A quiet achiever with a heart of gold

Kingsley Satui Ririnui

Don't let his size fool you, Kingsley might be the smallest on the field, but he's got the biggest heart. A legs-tackling machine, Kingsley brings down players twice his size without hesitation, and when he's got the ball! His palms in attack leave defenders grabbing at air. He's fearless, skilful, and full of fight a true pocket rocket

Their teamwork was a true standout—whether in attack or defence, the boys consistently looked out for one another and worked as a united group. As the season progressed, each player showed real individual growth, Learning not only the skills of the game but also the value of effort, support, and trust in their teammates.

One of the most pleasing aspects of this team was their selflessness and willingness to always back each other up, No matter the scoreboard or the challenge in front of them, they stayed strong as a group, always helping one another and showing what it means to be a true Bunny.

A huge thank you to the Under 10s Starling team for stepping in to help us fill numbers when needed, and to the Under 9s boys who showed up and supported us during the season you were all part of this journey and helped make it possible

2025 Team Awards

Players' Player: Luke Quilkey Coaches Award: Hunter Puata

Best & Fairest: Beau "Wally" Wallace

Aluka

A true veteran of the Bunnies, Aluka reached the incredible milestone of 75 games this season. A dynamic Hooker/Back who reads the play beautifully, he has a knack for breaking the line in critical moments. Aluka has worked hard on his defence all year, regularly taking down opponents twice his size. A reliable and valuable team member.

Ayrtton

Ayrtton has shown outstanding growth this season as a Hooker or Centre. His smart running and sharp game sense saw him cross the try line in most matches. A strong defender and all-around tough competitor, Ayrtton's consistency has been a huge asset to the team.

Beau "Wally" Wallace

Beau earned the Best & Fairest award and hit the 75-game milestone this season. He's one of our most electric attackers, capable of scoring from anywhere on the field. Beau's defence has gone to another level this year, with some huge hits and critical cover tackles. The future is bright for Wally!

Ben

Ben was a standout addition to the team this season at Fullback. His game awareness is top-notch, and he's saved countless tries with last-line tackles. When Ben gets the ball in space, he becomes a real threat. A fantastic first season with the Bunnies!

Casey

Don't let his size fool you—Casey may be our youngest and smallest forward, but he's also one of the toughest. Always backing up his teammates and bringing unmatched enthusiasm, Casey's commitment and heart make him a crucial part of our squad.

Eli

Eli made a strong impact in his debut season. His fearless approach to both attack and defence has impressed coaches and teammates alike. Eli gives it everything he's got every game, and we're so proud of how far he's come. We can't wait to see him develop even further next year!

Harrison

Harry is a powerhouse Forward who loves the game. He's dangerous with ball in hand, frequently breaking the line, and his commitment to improving his defence has really paid off this year.

A passionate and hardworking player.

Hunter

This year's Coaches Award recipient, Hunter brought size, strength, and dedication to every game. His confidence grew with each week, and he became a dominant force in defence and a constant metre-eater in attack. Well deserved, Hunter!

Kobi

Kobi hit the ground running in his debut season and quickly proved to be a natural. A gentle giant off the field, but all business on it—Kobi ran hard and tackled even harder. His raw talent and commitment are incredibly exciting for the seasons ahead.

Levi

Levi may have joined us later in the year, but he wasted no time making an impact. Always eager to learn and improve—especially when it comes to tackling—he gives 100% at every training and game. “Tackle tunnel,” anyone?

Liam

Liam is a smart, ball-playing forward who consistently sets up scoring opportunities. His physicality in defence is second to none, and he’s not afraid of a big hit.

He’s also shown great natural ability with the boot—watch this space!

Luke

Voted Players' Player by his peers, Luke is one of the most gifted defenders in the game. He leads by example, gives maximum effort every week, and is a natural captain. Luke is not just a phenomenal player but also a fantastic teammate. A true leader of the pack.

Nick

Another veteran who reached the impressive 75-game milestone this season. Nick’s vision and game sense are so good, it’s like he’s got a sixth sense. As our go-to Five-Eighth, his smart ball-running and playmaking ability have been key to our success this year.

It’s been a brilliant 2025 season for the U11s Kernick team. The players have shown tremendous growth, grit, and team spirit. We couldn’t be prouder of their efforts both on and off the field. Special Thanks: To all the parents, supporters, and club volunteers for an unforgettable season.

Season Reflection

Looking back on this year, I can't help but feel proud of how the boys came together as a team throughout the season.

The effort they put in was unwavering – game after game,
 They showed up with heart and determination. We had some really tough losses, ones where we were
 beaten by a try
 or a goal, and seeing the disappointment on the faces of
 The boys said everything about how much effort they were putting in.

But what stood out even more was how they bounced back. After those tough moments came a couple of
 well-

earned wins, and the joy on their faces—singing the Bunnies song,
 celebrating together – was just fantastic. It was a real highlight for me this season.

We had boys who had never played before, and others who stepped up as leaders. What impressed me
 most was the way they supported each other. They celebrated tries together,
 consoled each other in defeat, and built a genuine team mentality. That camaraderie and commitment
 were the most important things.

I'm really looking forward to seeing the boys continue on their rugby league journey next year—putting
 into practice what they've learned and building on the foundation they've
 laid throughout this season.

Up the Bunnies!!!

U12 O'Meley Team Write Up

Our season has been filled with both triumphs and challenges. We started the season with a core group of returning players as well as many new faces, and throughout the year, we saw a fantastic display of teamwork, sportsmanship, and skill development. It wasn't always smooth sailing. We faced some tough competition and experienced a few tough losses. But what I admired most was how the team responded to those setbacks. You showed resilience, learned from your mistakes, and came back hungrier, always waiting to make that next tackle or run the ball. Ultimately, this season has been about more than just wins and losses. It's been about building a strong team spirit, fostering a love for the game, and creating lasting memories. I'm incredibly proud of each and every player for their dedication, effort, and sportsmanship. I'm looking forward to seeing what the future holds for this talented group.

This season with the under 12's has been an incredible journey. I have been lucky to work with Daz, the trainers but especially the boys. I am proud of each of you and have loved being your manager this year

Up the Bunnies! Julie Papps

Coach; Darren Phillips,
 Greetings Bunnies family, can't express how appreciative, proud I am of our team.
 The respect or received training and game Day on and off the field was outstanding.
 The development of the team is credited to all players, parents and staff.
 We trained as a whole age group on Tuesdays all under 12s.
 Then we did our own thing. Three sessions a week for most of the season, Including 10 PCYC sessions,
 training in the rain, sometimes at the basketball courts.
 We had players come from three different teams from within Umina,
 we had players from other clubs, we also had a couple of boys
 who'd never played weekend footy.
 The commitment, the effort, connection, most of all the belief grew as a squad not just individuals. Took
 on division 1, first three games were tough for and against negative 72.
 Next three games for n against negative 50 slightly better.
 Not where we need to be. Next four games our for n against was negative 10 now it's coming together.
 We have players that can fill any role any position at any time. Leadership quality started to shine in
 players. While focus wasn't on win or lose this season we focused on development, progress,
 understanding the 1% of the game wherever you play.
 The team certainly achieved that.
 The boys win their first game 12 - 0 was nothing short of spectacular.
 The coming together when the whistle blew brought a tear to the eye.
 That pride and passion shine through special moments as a coach.
 Thank the club committee volunteers for creating a home for the kids to play.
 There's a lot of work that goes on behind the scenes, enormous effort, all year round.
 My staff believe that they have in me understanding the direction I was taking the team. Made for a well
 function training sessions ,game reviews ,development of the boys thank you gents.

Special thank you to Julie manager , when you have communication connection direction on the same
 page, everyone benefits most appreciated.

Team goal was to be competitive by end of season with better understanding of the game.
 100% ticked that box. I believe we are ready for a competition season, can't wait for you to shine. Enjoy
 your off season work on your skills. See you all preseason training.

Sincerely appreciated Dazza. When we all go, we all go together ! Coach, Darren Phillips Manager, Julie

U13 Div 1 Coach Write up

2025 will be remembered as the year that could've been for this team. Started the year slow out of the gates, losing the first 3 games, went on a run where we played some good footy and started beating teams only to have the rain cut our year short of finals footy with round 14 abandoned costing us dearly as we needed that game to all but assure us of finals footy.

Nevertheless, it's all about improvement at this age and the boys have come along in leaps and bounds. An unreal bunch of kids that have a tight bond off the field which is translating into a great footy side on the field. Absolute pleasure to coach these boys and watch them mature into young men off the field as well as believe in themselves and gain confidence on the field.

If they stick at it, there's no telling what this team can do over the next few years. Can't wait to see you all back again next year, watch this space

Mack Fawcett

Baylen Aromoana:

The new boy on the block, Baylen was exactly what we needed, a skilful outside back or half that ended up finding a home at fullback for us. Was a shame the season ended when it did as Baylen was really starting to hit his straps.

Vinny Porter

Another new face to the team, you'd have more of a chance at breaking out of Alcatraz then getting past Vinny! Whether it was a much-needed tackle or defusing a kick, Vinny was as safe as it gets. His first year of footy, will only get better and better.

Finn Dixon

Finn plays in our under 12 team but was always willing to put his hand up and play in our div 1 team when called upon, which was quite often! Threw him in the deep in most games, putting him in the middle, and he should be super proud of the way he handled himself. Not one person watching him would have ever thought he was only 12.

Never looked out of place in this team.

Ashton Butler

For a bloke that didn't train much he sure did show plenty signs of potential! Would play in the middle for us this year and did a great job. If he wants to give the game a proper crack, there is no telling what he could be as a footy player.

Ilijas Barrouhi

Illy spent most of his weekends playing div 2 then backing up for the div 1 team. Was the perfect player to have back up as you could play him any position on the field and he always had a crack. Loves his footy, always asking questions and wanting to learn, the future is very bright for him.

Archie Wolfe

Another who backed up as much as he could, Archie was always willing for the team. Silly suspension cost him more games with the team but lesson learnt and the more footy he plays the better he'll get for sure.

Sasha Hancock: Sasha started the year with us and ended the year with us but unfortunately didn't play much through the middle part. Super talented and another that if he really gave it a red-hot go, could be a great footy payer.

Connor Desira

This boy could be anything. Possessing an extremely strong carry and strength beyond his years, Connor again proved one of the competitions stand out players. Made numerous try saving tackles and scored more tries than he made training sessions!

Blake Malherbe

Blakes second year in the game and he improved out of sight. Proved to be one of our major attacking weapons and scored some ridiculous tries. His defence was also vastly improved and manhandled his fair share of opponents throughout the year.

Max Bulabulavu

Max was the talker in the team and really worked hard on both sides of the ball to ensure the boys all knew where they had to be. Really coming into his own with his role and understanding shape.

Bailey Fawcett

Baileys confidence in his role grew as the year went on and as a result his game got better and better. Would have finished the year with a basket full of try assists and even crossed the line a couple of times too. Formed a very handy combo with Jaxon on our right edge.

Mateo McLean

The third of the new faces to the team this year and one who really ties the team together. Mateo is an excellent player in his own right, tackles everything and gives it his all right until the final whistle. His best asset is his ability to make those around him better players as well, a true sign of a great player and teammate.

Jack Jordan

Big Jack stepped up from div 3 last year to the div 1 side and didn't skip a beat. An extremely well-mannered lad, Jack needs to find confidence in his size and he will be a big problem for teams.

Jaxon Gorrel

The improvement in this kid year on year is crazy! Was very consistent this year on both sides of the ball. His defence was as solid as you could hope for a back rower, always has been, but it was his attack this year that went to another level.

Scored many tries this year, has great footwork
for a tall lad and learnt to hit a hole as well.

Jake Meduro

The skipper this year, Jake was always reliable. Showed glimpses of the talent he possess and starting to understand his role as second rower. Once he can put it all together, he will be up there with the best in the comp.

Tallen Sinclair

Another who has just improved a crazy amount over a short period, T-Bag found a home at lock this year and was one of our most consistent every week. Tackles anything and formed a good combo with Mateo through the middle.

Harlea Uptin

Harlea is the late bloomer in the team, not turning 13 until late December, but he never let his size be an excuse and would never take a backward step. Moved from the backs into the middle this year, was happy to put his body in front of the big boys every game.

U15 Div 1 Coach Write up

First thing to say is what a great bunch of guys the 15 s are this year , a credit to their club , a credit to their parents and a credit to themselves.

It was a tough competition in 1st Division this year with the top teams being very strong and along with a huge injury toll, things proved tough going but the boys consistently showed courage under fire including taking to the field with eleven players one game and holding their own against the competition leaders .

The boys showed many times what a great attacking side they are, and took on the big teams without backing down in defence .

There is talent in this side who will carry the red and green colours proudly into their senior years which is not far away now .

It was an absolute pleasure to coach these boys and I wish them the best in their future football endeavors and will be keeping an eye out on their progress .

A huge thanks to Jake Morris, Jason Fulwood
and Brian Doyle

who basically coached along side me in every instance , providing more experienced input for the boys . With the massive injury toll , enough can't be said about the 14s that backed up for us , Jet Cook and Nashwho are just so talented and added so much to the team . I can't leave out Moorey ,Scott Haydon and Junior who helped as trainers.

Jake Golds

An amazing insight of the game , along with elusiveness and all the skills of a clever 1/2 , always put in the hard yards to be at the play and contest it to the limit .

Nash Fulwood

With all the attitude a half back requires , could swing a game with pin point kicks and sly attack penetrating line consistently , great vision , adept organization on field

Tyler Austin

Captain courageous who would lead by example , always inspiring his team mates , on field organizer , with absolutely no fear to take on anything that came his way . Hoping he kicks arse with the Roosters Andrew Johns competition .

U16 Div 1 Coach Write up

The 2025 season saw the u16 age group field 2 teams. The 16/1s had a very talented group of lads and a number of our squad have achieved some great things across a few different sports in 2025.

The boys started the season great and were committed to training and games.

We played some great footy to start the year off, topping the table mid way through the season matching it with the best teams in the competition.

The early stages of second half of the season we lost some key players for the remainder of the year due to injury and moving on to play higher honours.

The boys battled hard the rest of the season narrowly missing out on playing finals on for and against.

Massive thanks to boys who backed up for us from the 16/2s and 15/1s we really appreciate you boys supporting us and helping us get through some tough games when we were low on numbers.

My hope is these boys stick together and keep playing footy and if they work hard they can achieve some really great things.

Big thanks to Roydon for coming on board to help coach couldn't have done it without his help.

Also big thanks to Jodie, Tommy and Simon helping out as trainers and manager.

Thanks to all the parents and everyone enjoy the off season.

U16 Div 2

Coach Write up

2025 was a mixed season for us this year. After great success last year, we were put up to Division 2, which was a big jump for the team. We had some new players arrive who had never played before, some players who came back after having the previous season off and some switching over from other clubs, giving us a squad of 22.

Bringing this squad together was challenging for myself and Scott. Working with such a range of players, and so many numbers.

We had a great pre-season and started the year off with a draw in our first game, which was a good start. The next few games saw us up against the top teams in our comp and opened our eyes to the level of footy required for second division.

I am very proud to say that the boys found their groove and stepped up with some fantastic wins and results, showing the competition what we are capable of, with everyone improving their game each week, on the back of some great effort and pride.

Some second half performances saw us run out of steam and cost us a semi-final berth. For the majority of the year, the boys played some tough and entertaining footy. Well done lads!

I would like to thank Scott and Jessica for your support throughout the year. I couldn't do my role without you guys. Thanks to the parents for getting the kids to training and games on time. Finally, thanks to the boys. Such a great group of young men. I have enjoyed my time with you this year. I hope to see you all return next year.

Up the Bunnies!

Club President Message

What a year it has been! It's hard to believe the season is coming to an end—it feels like we were just getting started. While the weather certainly threw us some curveballs this year, I want to commend every player, parent, coach, sponsor and volunteer who showed resilience, flexibility, and team spirit through it all.

Despite the interruptions, whenever we did get a game, you could feel the energy, passion, and love for the sport. And that's what made this season truly memorable—we didn't just show up; we made every game count.

This year, our club has continued to grow in both size and strength. We are now proud to field 30 junior teams across all age groups—an incredible milestone for the Umina Bunnies

Each and every one of these teams has shown heart, determination, and teamwork—values that represent what the Umina Bunnies are all about.

To all our coaches, managers, committee members, and volunteers—thank you. Your time, dedication, and passion behind the scenes is what makes our club possible.

And to the parents and families—

Thank you for supporting your players, rain or shine, week in and week out. Finally, to all our junior Bunnies—congratulations on a great season! Whether it was your first year pulling on the jersey or your final one in juniors, we hope you've created friendships, memories, and a love for the game that will last a lifetime.

What a great year.

Go the Bunnies!

*Yours Sincerely
Shannon Michie*
